HIGH SPEED INKJET PAPERS

SWORD iJET® 5.5 High Gloss 118

Premium Inkjet Coated Paper

SWORDiJET® 5.5 High Gloss is a premium inkjet coated high gloss paper designed for high-speed production environments. This high-performance paper requires no pre or post coating. It has the look and feel of a top-quality offset paper producing high resolution full color graphics and fine line detail. Mitsubishi's superior coating technology allows for maximum production speeds, lowered ink consumption and unprecedented dry times. The high gloss finish is suited to a range of print production needs from Publishing to Direct Mail and Commercial Print applications. SWORDiJET 5.5 High Gloss can be used to create highly personalized printed content in no time without cockling, offsetting or bleeding.

FEATURES AND BENEFITS:

- Compatible with Most Pigment & Dye Inks
- Revolutionary Coating Technology
- Premium High Gloss Finish
- Unmatched Print Performance
- Superior Color Matching
- Maximum Print Speed
- Fast Dry

SPECIFICATION

TARGET

Basis Weight	118 G/M ²
